## Netball 2020 Player Pack

### INTRODUCTION

Hi, and welcome to all those that are looking to join our netball club this year and especially everyone returning for another year. This year, Netball will be celebrating its 15th anniversary and hopefully a few premierships.

The primary focus of the club for 2020 will be to have more teams reach the finals than previous years.

The Netball code operates under the banner of the Adelaide Lutheran Sporting Club (ALSC). ALSC has existed in various forms since the late 1960's when the Adelaide Lutheran Football Club was established. In the years following, cricket and netball clubs were founded. The Adelaide Lutheran Sports Club currently fields 3 football teams, 2 cricket teams and 16 netball teams. Our football teams play in the South Australian Amateur Football League (SAAFL), with the A Grade playing in Division 6 in 2020. Our cricket teams play in the Churches and Community Cricket Association over the summer months. ALSC introduced junior football and Auskick in 2017 and in 2018 entered a women's football team for the first time in the SAWFL. The Adelaide Lutheran Netball Club was established in 2006, with 4 teams entered in the South Australian United Church Netball Association (SAUCNA). We have grown to 16 teams, and we are looking to field the same in 2020. We play and train at the netball courts at the corner of South Tce & Anzac Highway. The clubrooms are across the road in the South Parklands.

Looking forward to seeing you on the court,

Lucy, Lisa, and the committee

## CLUB EXPECTATIONS

Netball offers an enjoyable and social netball club for our players and volunteers. In return, we ask you contribute to the club off the court. We expect our players to;

- Assist and contribute in the fundraising efforts of the club
- Assist with bar duties in the club
- Attend Saturday team presentations
- Attend club functions
- Support our sponsors

**Mental Health.** The netball club promotes social inclusion and belonging for all within a competitive sporting environment. We recognize that as members of the broader community, people experience many stresses in their day to day lives inside and outside of sport. The club also recognizes that some players are new to Adelaide and may be isolated from their normal support structures. There are people within the club who can provide guidance and support if you feel you need a hand. Please feel free to reach out to your players reps ([Tammy Foster](#) or [Imogen Gray](#)) if you need help.

**Bullying.** The netball club has zero tolerance to any form of bullying. Anyone found to be engaging in bullying will be expelled from the club. If you witness any bullying, please call it out and raise the issue with your players reps ([Tammy Foster](#) or [Imogen Gray](#)).

It is the responsibility of players to attend a **minimum** of 3 grading sessions and cannot miss more than 2 grading sessions in a row. Your performance and attendance are considered as part of the grading

The grade you nominate on your player registration form corresponds with your nominated grade/timeslot. It is your responsibility to put the effort in by attending all grading sessions to ensure ALSC sees your potential and skills on court.

Please contact **Jayne Paterson** on 0428 343 385 prior to 12pm on Wednesday's if unable to attend.
