1st XI Captain's Report

We started the year with some real expectation after making the GF last season. Before the season started however we lost Steadman altogether along with PT and Benny for most of it so we were going to have to work a bit harder for our wins. However we still had the likes of Fin, Jez, Gaunt, Mick, Knighta, Phil and Nitto from last year, while it then gave some new guys an opportunity to cement their spot in the A grade.

We picked up an important bowler in Anks who could bowl consistent line and length along with a couple young fast bowler in Alex and the future Shane Warne in Ollie who played C's all last year. Gabe also changed his craft from a medium paced bowler to a very handy leggie and pushed his way into the side as well. It was exciting times to have a couple young guns pushing up into the A grade side. Alex in particular took his game to the next level and got better and better as the year went to show what a real talent he is. It was expected bowling was going to be his major strength however his batting improved substantially as well with some great innings particularly late in innings. His superb ton in the B's is evidence of that. He capped off the year with a man of the match performance in the Semi final after taking 3/16. You might have to open the bowling and the batting next year Alex? ☺

It was a very up and down season for us, we never really got going consistently in either form of the game. We started the season ok with a win against a very undermanned Seaton side followed by a solid win against last year's premiers Rose Park who were also missing a couple of their stars. So early on we sat on top of the ladder and due to the fact it was such an even competition across the top 7 sides in the grade we managed to stay on top of the ladder for most of the season.

Apart from the Semi final our other most disappointing performance was in round 3 against Enfield where we bowled superbly to have them all out for 82 however our batting couldn't get the job done and we lost 7/17 late to collapse all out for 79 and be 3 runs short of victory. Round 4 was one of the best wins of the year where we somehow stole a victory away from the arch rival in Para Vista. After being 7/101 chasing 218 Gabe hit a superb 53 along with Wells 34 and Nitto 36* at the death to scrape home with the win 9 down.

Against Fitzroy we again batted poorly but our bowlers, particularly Hauser got us home taking 4 wickets. We haven't lost to Fitzroy since 2010 making it 9 wins in a row including T20's. Then against Magill apart from Gabe taking 5 wickets our bowling was poor and it was our batsmen who would get us home in this game led by Mick with his first ton for the club (124* after taking 25 balls to get off the mark) and A Gaunt 52, M Knight 47, F Borgas 44 and O Renner 35*.

After Christmas it was time to take on NEK in what has become a tradition to play them for the 5th year in a row in a one day game on their ground which is almost like playing Fremantle in Perth at the minute. We will call it the house of pain! We went down in this one quite convincingly but once again we managed to pull out a great victory the following game against Rose Park, a game where we had 5 or 6 changes and had Bretto, Fitzzy, Andy and Barnie all up from the B's for a game to help us out. Our bowling was great, our fielding was poor and our batting struggled until Fitzzy played a very intelligent and determined innings finishing with 44 to get us home for an important win. He was very well supported by the B's skipper in Bretto as well.

After round 9 was heated out for a draw round 10 became a critical one with 7 teams still vying for a top 4 spot. We sat on top of the ladder still but only just and we would play against an inform NEK side who only beat us a few weeks earlier. Once again they were too strong but due to some earlier preparation of points calculations we managed to scrape into the finals in 4th place by 0.03pts after some umpiring controversy that ended the day on a somewhat of a sour note.

Semi Final time and again our bowlers dominated the Enfield side to have them all out for 90 but our batsman couldn't get the job done and we struggled to 77 after some late hitting by young Alex at the end. A disappointing loss but in many ways it ended what was a very up and down year for us. I am sure that if we made it past the semi we would have been walking away with the shield since we would have played Fitzroy in the GF who we have an exceptional record against.

I would like to thank everyone who played throughout the year in the A's, even though we couldn't go all the way it was still an enjoyable year and lots of performances to be proud of. Let's make it our turn in 2014/15 guys! We did have some individual milestones during the season so congratulations to Jeremy Borgas for 50 games, Matthew Knight for 50 wickets, Peter Taylor for 100 fielding dismissals and Myself for 50 wins.

Cheers, Nitto

2nd XI Captain's Report

As I walked out onto the ground for the first day against Enfield I was confident that we had assembled a side that could do some damage. We had the old hands of Fitzzy, Steve and Andy Wilson and myself along with youngsters Alex, Tom, Sammy and newcomer Ryan.

We breezed through our first game winning by 6 wickets, thanks to a strong performance in the field bowling Enfield out for just 98. We put our flag in the ground early that we would be a competitive unit. A 29 run win against Central Mission and scraping home against a determined Para Vista by 2 wickets and we sat aloft the table.

At this stage I was already I was aiming at a top 2 spot. Round 4 was a nightmare for selectors and we were forced to make 6 changes to a fairly settled team. However Fitzzy led the side well in my absence and with a superb 10 wickets for the match we dispatched Fitzroy and came close to an outright win. There were 9 changes in Round 5 but we had NE Knights in trouble at 8-90 before they boldly inched their way to 170. A total that would see us tie this game. Captain MacTavish fought his way to 43 to even the scores only to get out seeking that further 1 run. Pahly was unfortunately out first ball.

Round 6 would see us lose our one and only game to eventual grand finalist Enfield. It was a game we learnt alot from though and would prove vital to our eventual success. At 2-120 we were dismissed for 150. Enfield passed our score with 4 wickets in the shed. I feel at this point with many players coming in and out of the team that we were probably destined to have a mishap at some stage. We were 4-1-1 at the Christmas break. One win away from a certain finals appearance.

That would come in Round 7 against NE Knights with a polished 6 wicket win. Once again it was our bowling/fielding performance that would see us reign. Round 8 would then dish up some more headaches for selectors. With Fitzzy and myself promoted to A grade, Lenny would fill the chair for this encounter against Central Mission. Chasing 175 to win, we would see one of the most remarkable batting innings for the season. Alex Haren opened on day two as Steve Wilson's replacement. He would stay there all day and make 117 not out. the next best score would be 16 and that was sundries. The win pretty much guaranteed top spot. It was then a case of trying to get the team settled leading into finals.

A month off cricket due to heat would see us resume in Round 10 against Para Vista. A well constructed 213 led by Andy 42 and Steve 68 would be a bridge too far for the Vistas.

The Semi Final saw us play Fitzroy, an opponent that made me nervous as they found good form leading into the finals. 4 wickets to Fitzzy and 3 to Reece would see us account for Fitzroy for 104. It was just a matter of holding our nerve on day 2 and although patchy we did the job comfortably enough. It was onto the Grand Final and as I recount my thoughts earlier I was quietly confident that we had the side to win. I felt that we peaking at the right time.

The Grand Final would see us make 6-205 against Enfield, another good batting display like Round 10. Andy 62, Steve 48 and Fitzzy 44 the highlights well supported by Tarks and Immy. Day 2 felt like it went forever but after some tough moments earlier in the day, we remained patient to skittle Enfield for 126 and win a well deserved Premiership.

32 players would play in the B grade this season. Steve, Fitzzy and young Ryan played the most with 10. Steve Wilson 255 runs, Andy Wilson 246 and David Fitzsimmons 185 were the top run scorers. Fitzzy 35 wickets, Ryan 13 and Immy 8 were best with the ball.

Thanks to all players for their fantastic effort during the season. I was certainly proud of how all the guys conducted themselves on and off the ground and it made it very comfortable to skipper the team. Enjoy the winter months and I look forward to seeing you as we defend the title in season 2014/15.

3rd XI Captain's Report

First of all I would like to thank everyone that had participated in the C Grade during this last season. In all we had 26 players that had played in the C Grade. There may have only been 12 players that had participated in the winning Grand Final, however everyone who played contributed to the ultimate success that we achieved against Enfield C.

Secondly, I would like to thank the Executive Committee for all of the work that they put in behind the scenes. Also thanks to my fellow selectors in Nitto, Brett, Harmsy and Rocket. With so many players being available every week, selection was never easy.

As I sit here writing this, I am so very proud to have played and captained the C Grade this season to a second premiership in 3 years. From very early on, I was confident that we had a team that could go all the way. As the season progressed the only team that I thought could truly match us was Enfield C, our eventual opponents in the Grand Final.

The reason why I say confident is due to having quality top order batsmen who contributed throughout the year and quality bowlers who took wickets whenever it was required. Throughout the whole season we did not concede 200 runs in any game, the highest score we conceded was 194 against Rose Park in the semi final. Also we managed to score more than 300 runs in 4 games including the big matches when it mattered in the Semi Final and Grand Final.

We ended the season with 2 bowlers inside the top 10 for the association, with Dale at number 6 leading the way with 18 wickets and Marty coming in at number 9 with 15 wickets. However we had handy contributions throughout the season from players such as Scheffe, Stancl, Joshy, Harmsy, Wayno & Tarks.

In terms of batting we ended the season with 5 batsmen inside the top 10, this just highlights our strength over the rest of the competition. It showed that we had a spread of batsmen that made runs and we were never relying on anyone 1 person to make all the runs. The main batsmen who contributed greatly this season were Stancl (number 1 in the association) with 491 runs, Borgas (number 3) with 366 runs, Gav (number 5) with 316 runs, myself (number 6) with 298 runs and Wayno (number 9) with 224 runs.

In terms of the season, we finished the minor round season with 7 wins (1 was a forfeit), 2 losses and the heated out draw in Round 9. This resulted in our team collecting 90.7 points which meant we finished second behind Enfield C.

Our semi final was therefore to be against Rose Park at home. The semi final didn't start too well as I went and lost the toss, however to my surprise after a 5 minute conference Rose Park decided to send us in. From that point on we were always in control and ended up scoring 373 with Stancl top scoring with 170 and also significant contributions from Borgy 87 and Llew 47 not out. We were never really in trouble defending this score, however we did drop off the intensity to allow them to get to 194. Marty with 5/62 and Wayno 3/25 were magnificent with the ball.

Off to the Grand Final we would go. It was to be away at Para Vista Primary against Enfield C who had finished top and had already beaten us in our only encounter this year. We got off to the best possible start by winning the toss and batting. Gav and myself then tired the Enfield bowlers out for 26 and a bit overs. In the end the opening partnership was 76. From there we continued to build the total, the key partnership being the 6th wicket between Wayno and Sam Steinle, they combined for 102 runs and took us from 5/155 to 6/257, we ended up with a score of 310. Wayno (Grand Final specialist, average of 88 in GF's) top scored with 143, with contributions from Gav 39, myself 31, Steinle 28 and Borgy 21. Again, we were never really in trouble defending this total and picked up wickets early to have Enfield C at 3/35, Marty and Dale opening the bowling magnificently as they have all season. Harmsy and Scheffe cleaned up the middle order and then the last wicket finally departed after an hour partnership. Scheffe led the bowlers with 3/16, followed by Dale 3/43 & Harmsy 2/23.

With the season being such a success, there were many highlights that occurred during the season and it would be unfair to single out any one highlight. However in saying that, one of the best moments during the season was having Marty and Dale open the batting in Round 8 against Fitzroy. We possible have a new opening combination as they performed very well and got the team started with a partnership of 31 runs. (Gav, we better watch out next season).

Finally, I would like to mention and congratulate some guys who passed significant milestones this season. Well done to Gav on 100 matches, Borgy on 100 catches, Nick on passing 1000 runs & Dale on reaching 50 wickets for the club. I'm sorry if I have missed anyone.

Guys, for the most part this has been a very enjoyable season and I look forward to playing once again in season 2014/15.

Cheers
Len Cirillo
